Third Party Liability. Every person on Glendining & Co.'s premises at any time shall be deemed to be there at his or her risk. He or she shall have no claim against Glendining & Co. in respect of any accident which may occur or injury, damage or loss howsoever caused, save insofar as the injury, damage or loss shall be caused by the direct negligence of Glendining & Co. employees.

GENERAL CONDITIONS OF SALE

1. **Definitions.** In these Conditions Glendining & Co., who act only as auctioneers and agents for the vendor, are called "the Auctioneers", and the representative of Glendining & Co. conducting the auction is called "The Auctioneer".
2. **General.** Whilst Glendining & Co. make every effort to ensure the accuracy of their catalogue and the description of any lot:
 - (a) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of descriptions.
 - (b) Glendining & Co. do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition or quality of any lot, unless they have been instructed in writing by the vendor so to certify, and in such case the Auctioneers do so as agents of the vendor and are not themselves responsible for such claims.
 - (c) All statements, whether printed in the catalogue or made orally, as to any of the matters set out in (b) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Glendining & Co., unless they have been instructed in writing by the vendor so to certify, and in such case the Auctioneers do so as agents of the vendor and are not themselves responsible for such claims.
 - (d) Any claim under any Statute must be received in writing by the Auctioneer within ten days of the day of the sale.
3. **The Auction.**
 - (a) The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lot or lots from the sale, to refuse bids, regulate bidding or cancel the sale without in any case giving any reason or without previous notice. He may bid on behalf of the vendor for all goods which are being offered subject to reserve or at the Auctioneer's discretion.
 - (b) The highest bidder shall be the buyer except in the case of a dispute. If during the auction the Auctioneer considers that a dispute has arisen, he has absolute discretion to settle it or to re-offer the lot. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid.
 - (c) Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the seller has the right to bid either personally or by any one person (who may be the Auctioneer).
 - (d) All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the Auctioneer from the rostrum prior to any bid being accepted for the lot.
4. **Rescission.** Notwithstanding any other terms of these Conditions, if within fourteen days after the sale Glendining & Co. have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within twenty-one days after such notification the buyer returns the same to Glendining & Co. in the same condition as at the time of sale and by producing

evidence, the burden of proof to be upon the buyer, satisfies Glendining & Co. that considered in the light of the entry in the catalogue the lot is a deliberate forgery, then the sale of the lot will be rescinded and the purchase price of the same refunded. Both the buyer and the vendor agree to be bound by the decision of Glendining & Co.

5. **Default.** Glendining & Co. disclaim responsibility for default by either the buyer or the vendor because they act as agents for the vendor only and therefore do not pay out to the vendor until payment is received from the buyer. Instructions given by telephone are accepted at the sender's risk and must be confirmed in writing forthwith.
6. In the event of a sale by private treaty both the vendor and the buyer agree to be bound by the General and any Special Conditions of Sale.

VENDORS CONDITIONS

7. **Instructions.** As Glendining & Co. are auctioneers, all goods delivered to Glendining & Co.'s premises will be deemed to be delivered for sale by auction unless otherwise previously stated in writing and will be catalogued and sold at Glendining & Co.'s discretion and accepted by Glendining & Co. subject to all the Sale Conditions. By delivering the goods to Glendining & Co. for inclusion in their auction sales each vendor acknowledges that he or she has accepted and agreed to be bound by all these Conditions.
8. **Collections.** Glendining & Co. do not themselves usually undertake the collection of goods but will, if required in writing, instruct a contractor on the vendor's behalf in their capacity as agents. Glendining & Co. disclaim all responsibility for loss or damage to goods or for unauthorised removal of goods and for damage to premises caused by the contractor who should be insured for such risks. Unless instructions are received to the contrary the charge for these services will be deducted from the proceeds of sale.
9. **Loss or Damage.** Glendining & Co. disclaim all responsibility for loss or damage to goods or for unauthorised removal of goods unless caused by the direct negligence of their employees.
10. **Storage.** Glendining & Co. reserve the right to store or arrange for the storage of goods delivered to them for sale either on their own premises or elsewhere at their sole discretion. They exempt themselves from any liability for loss or damage to goods delivered to their sale rooms without sufficient sale instructions and reserve the right to make a minimum storage charge at 25p per lot per day for such goods (unless the loss or damage is caused by the negligence of their employees).
11. **Right to Sell.** Vendors will be charged for goods left on the premises if the vendor has been requested to remove them and if the goods are not removed within twenty-one days of such request Glendining & Co. reserve the right to sell the goods to defray costs and storage charges.
12. **Insurance.**
 - (a) Unless otherwise instructed in writing all goods on Glendining & Co.'s premises and in their custody will be held insured against the risks of fire, theft following forcible entry and water damage (but not against accidental breakage or damage) for which insurance Glendining & Co. will charge a premium of £1 per £100 (minimum £1). The value of the goods so covered shall be the gross amount realised, or in the case of unsold lots the best bid, or in the case of goods withdrawn prior to a sale that which the specialised staff of Glendining & Co. shall in their absolute discretion estimate to be the auction value of such goods.

- (b) Glendining & Co. shall not be responsible for damage to or the loss, theft or destruction of any goods not so insured upon the owner's written instructions.
 - (c) Glendining & Co. shall not be responsible for accidental breakage, loss or damage howsoever caused unless directly caused by negligence of their employees.
 - (d) In respect of any article delivered to Glendining & Co. if the vendor has in force a policy or policies of insurance in which the article is specifically mentioned as being insured, whether or not for an agreed sum or value, the vendor shall notify his insurers of and shall himself note Glendining & Co.'s interest as bailees in such policy or policies.
13. **Reserves.**
- (a) All goods are put up for sale WITHOUT RESERVE at the Auctioneer's discretion unless written instructions as to reserves are received by one hour prior to the commencement of the sale.
 - (b) In the event of any reserve price not being reached at auction Glendining & Co. are empowered to sell after the auction, by private treaty, at not less than the reserve price, as long as the goods remain on Glendining & Co.'s premises. In the event of such a sale by private treaty the Conditions of Sale applicable to a buyer governing the auction will apply.
14. **Indemnity.** The vendor shall duly indemnify Glendining & Co. against any claims in connection with any goods sold by Glendining & Co. on the vendor's behalf.
15. **Value Added Tax.** A vendor who sends for sale by auction any chattel(s) which is an asset of his business must disclose to the Auctioneer whether or not he is a registered person for Value Added Tax purposes and, if so, his registered number and whether or not he intends to operate the special scheme covering works of art, etc. This information must be supplied to the Auctioneer on or prior to delivery of the goods.
16. The vendor authorises the Auctioneer to deduct commission and expenses at the stated rates from the hammer price and acknowledges the Auctioneer's right to retain any premium payable by the purchaser.
17. **Rights to Photographs and Illustrations.** The vendor gives Glendining & Co. full and absolute right to photograph and illustrate any lot placed in its hands for sale and to use such photographs and illustrations and any photographs provided by the vendor at any time at its absolute discretion (whether or not in connection with the auction).
20. Every bidder shall be deemed to act as principal unless there is in force a written acknowledgement by Glendining & Co. that he acts as agent on behalf of a named principal.
21. **Removal of Goods.**
- (a) No purchase shall be claimed or removed until it has been paid for and the sale has been concluded. All purchases shall be paid for and removed at the buyer's risk and expense by the end of the second working day after the sale, failing which the Auctioneer shall not be responsible if the same are lost, stolen, damaged or destroyed, and all lots not so removed shall remain at the risk of the buyer and subject to a minimum warehousing charge of 25p per lot per day. If they are not paid for and removed within seven days of the sale the Auctioneer may re-sell them by auction or privately without notice to the buyer. Any liability which there may be on the part of the Auctioneer in respect of any loss shall be restricted to a maximum of the price paid by the buyer of the lot.
 - (b) In the event of any failure of the buyers to comply with any of the above conditions the damages recoverable by the seller or the Auctioneers from the defaulter shall include any loss arising on any re-sale of the lot, together with the charges and expenses in respect of both sales, and together with interest at 2% above Midland Bank PLC Base Rate upon the price of any lot which has not been paid for within 48 hours of the sale, and any money deposited in part payment shall be held by the Auctioneers on account of any liability of the defaulter to them or to the seller. The Auctioneers are unable to accept payment from successful bidders other than in cash or by the bidder's own cheque. Cheques drawn by third parties, whether in the Auctioneers' favour or requiring endorsement, cannot be accepted.
22. **Value Added Tax.** The Buyer will be liable to pay V.A.T. at the standard rate on the hammer price on those Lots indicated with a dagger (†) after the Lot number. This V.A.T. is refundable on proof of export by Overseas Buyers within 28 days of Sale.
23. **Purchase Price.** The purchaser shall pay the hammer price together with a premium of 10% of the hammer price. The premium is NOT negotiable and attracts V.A.T. at the standard rate and is payable by ALL purchasers. The vendor authorises the Auctioneer to deduct commission and expenses at the stated rates from the hammer price and acknowledges the Auctioneer's right to retain the premium payable by the purchaser.

BUYERS CONDITIONS

18. **Inspection.** Each buyer by making a bid for a lot acknowledges that he has satisfied himself fully before bidding by inspection or otherwise as to all the Sale Conditions the physical condition of and description of the lot including but not restricted to whether the lot is damaged or has been repaired or restored.
19. **Property and Risk.** Legal title will not pass to the buyer until the lot(s) has been paid for in full and the Auctioneers shall be entitled to a lien on any lot sold until the purchase price (as defined in 23 below) is paid in full but each lot is at the sole risk of the buyer from the fall of the hammer. Each buyer shall forthwith give his full names and permanent address and if called upon to do so by the Auctioneer shall forthwith pay to Glendining & Co. such proportion of the purchase price as the Auctioneer may require. If the buyer fails to do so, the lot may at the Auctioneer's sole discretion be put up again and re-sold.

IMPORTANT NOTES FOR BUYERS

THE JOHN PINCHES ARCHIVE COLLECTION

In 1969 the famous firm of medallists, John Pinches, was sold to an American company, the Franklin Mint; much of the work previously undertaken was dispersed, thus ending nearly one hundred and twenty years of numismatic manufacturing history.

The company was founded by John Pinches in 1840 and grew to become, under the energetic management of his direct descendants, one of the largest private mints in the United Kingdom, striking medals for numerous institutions and societies in this country – both national and local – including bodies as diverse as the Royal Society of Arts, the Zoological Society of the London, Liverpool School of Tropical Medicine, the Society of Portrait Sculptors and the London School of Economics.

John Harvey Pinches, the last managing director and great grandson of the founder, recently published *The Medals of John Pinches* as a tribute to the many talented and dedicated artists, medallists and craftsmen involved in the creation of these miniature works of art. A splendid corpus of the major items struck by the company, the pieces described and illustrated form the major proportion of the collection to be offered for sale by auction; the two parts forming, perhaps, the largest group of twentieth century British medals ever to appear at auction. Institutional awards and prize medals of all kinds, many seldom seen on the market, feature strongly, but also included are civilian awards for gallantry and a great variety of commemorative and other pieces. Many of the medals were the work of medallists such as Allan Wyon, John Robert Pinches, father of the vendor, and George de Saulles, the last Chief Engraver at the Royal Mint; others were designed or modelled by artists of international reputation, such as Sir Charles Wheeler, Gilbert Bayes and J. H. MacNair. Thus the medals represent a fascinating diversity of styles; equally, all reflect the commitment of the company to standards of the highest quality, whatever the work in question, whether a Coronation souvenir or a prestigious award.

commencing at 10.00 a.m.

THE JOHN PINCHES ARCHIVE COLLECTION: Part I

The Property of John Harvey Pinches

Military and Civilian Awards

- *1 Order of the Companion of Honour, Pattern or prototype, *obv.* knight in armour, tree behind, motto around, *rev.* crowned monogram, silver gilt and enamel, oval, 45mm x 55mm, surmounted by crown, with loop for suspension. *Extremely fine.* (£150–250) 1

- 2 Another, Trial of obverse on irregularly shaped flan, without crown or loop, bronze. *Extremely fine.* (£30–40) 1

- 3 Royal Warrant Holders Medals (8), unissued specimen striking without naming; Victoria (2); Edward VII, with crown suspender and loop; lead Trial of last; George V (2), with crown and suspenders; George VI (2), first type. *First two and fourth very fine, others mostly extremely fine or better.* (£100–150) 8

- 4 Seringapatam Medal, 1799, by Küchler, tin. *Better than very fine, but scuffed somewhat and a little dull, stamped B47 on edge.* (£40–60) 1

- 5 Seringapatam Medal, restrike of uncertain date on a thick flan, bronze, 48mm, wt. 62.8gms., other restrikes (3), of recent date, silver and silvered bronze (2, with matt finishes, one on a thick flan). *Extremely fine or better.* (£40–60) 4

∴ The dies of the Seringapatam Medal were taken over when Pinches acquired the business of Phillips of Aldershot. The appearance of the bronze medal does not suggest a restrike of very recent date. The remaining three medals relate to the restrikes made by Pinches in the 1960's.

- 6 Battle of Trafalgar, Boulton's Medal, 1805, by Küchler, white metal, plain edge (BHM 584). *Obverse dulled, otherwise about extremely fine, a later restrike.* (£40–50) 1

∴ Modern restrikes of Boulton's Trafalgar Medal are included in lot 159.

- 7 Khedive's Star; 1882 (7); 1884 (2); 1884–86 (2); undated, with "Tokar" bar. *Very fine.* (£120–160) 12

∴ The presence of this number of Khedive's Stars in the collection suggest they were made by John Pinches.

- *8 Q.S.A. in bronze, **with dates 1899–1900 in relief** [unnamed]; another, in bronze, regular issue [unnamed]. *A little mishandled, very fine, first extremely rare and possibly unique in bronze.* (£150–250) 2

∴ The existence of these two pieces in the collection suggests some of the work for this campaign medal was sub-contracted to Pinches by the Mint. However, de Saulles, the Chief Engraver at the Mint, maintained a warm professional and personal relationship with John Pinches and it is possible these two pieces were sent to Pinches by de Saulles as personal mementos.

- 9 B.W.M. 1914–18; Mercantile Marine Medals, 1914–18 (2); Defence Medals 1939–45 (5); War Medals 1939–45 (2); India Service Medals (3); Metropolitan Police Jubilee Medal, 1887; Miniatures, various (7). *Mostly extremely fine or better, three without suspenders.* (£50–75) 21

Life Saving and other Civilian Gallantry Awards

- *10 Associated Newspapers, Women in the Home Award for Courage, by Ledward, 1959, *obv.* woman comforting a child, flames, lightning and a snake behind, *rev.* laurel wreath, bronze, 51mm (MJP p. 5). *Obverse Trials* (2), bronze. *Extremely fine.* (£60–100) 3

- 11 Gallantry Fund Medal, unissued specimen striking, bronze, silver suspender and ribbon; another, no suspender, dull finish. *Very fine or better.* (£40–60) 2

∴ Awarded by the magazine "Today".

- 12 Greater London Council, London Ambulance Service, Award for Bravery, with suspender (MJP p. 48). *About as struck.* (£40–50) 1

∴ Not recorded in W. Fevyer's unpublished catalogue. We have not discovered how many were awarded.

- *13 Jersey Society for Prevention of Cruelty to Animals (Inst. 1868). Award for Animal Life-Saving, specimen striking, *obv.* legend, *rev.* scroll, bronze, matt finish (MJP —; McC —). *About as struck, extremely rare.* (£60–80) 1

Lot

- 14 Lloyd's Medals for Meritorious Service (3), specimen striking: Third type, bronze; Fourth type (2), silver, uniface, bronze, with suspender (MJP p. 98; W. & M. pp. 65–68). *Extremely fine or better.* (£75–100) 3
- ∴ The numbers of this award presented are as follows: Third type, 280 bronze, 24 silver; Fourth type, 51 bronze, 12 silver.
- *15 London Passenger Transport Board, 1939–45, Award for Bravery and Devotion to Duty, *obv.* male nude on one knee, endeavouring to turn a large wheel, *rev.* laurel spray, legend above and below, with suspender, original red, green and white ribbon and top brooch suspender pin; designed and modelled by J. R. Pinches, bronze, silvered (MJP p. 100). *A little rubbed and slightly discoloured, otherwise about extremely fine, extremely rare.* (£100–150) 1
- ∴ "... this gallantry award was introduced by the Chairmen of the London Transport Board in 1941 and was discontinued when the George Medal superceded it after only seven had been awarded". C.W. Tozer, "London Transport Gallantry Medal" (OMRS Journal, Summer, 1974, p. 60).
- *16 Order of Industrial Heroism (Instituted by the Daily Herald), Trial striking, silver (2), 55mm, and bronze, latter on irregularly cut flan, probably by G. T. Friend (MJP p. —; cf. W. & M., pp. 48–50). *About as struck.* (£75–100) 3
- ∴ Instituted in 1923, about 130 awards were awarded before the last war. The presentations were usually made by Labour M.P.s and trade union leaders.
- *17 Provincial Police Award For Brave Assistance to the Police, by Philip Nathan, *obv.* bust of policeman three-quarters left, *rev.* legend bronze, 50mm (MJP p. 124). *About as struck, very rare.* (£50–75) 1
- ∴ We have no information on this unusual award or the date when it was instituted. The portrait on the obverse appears to be modelled on the actor Jack Warner in his role as "Dixon of Dock Green".
- 18 Royal National Lifeboat Institution, Victoria, silver medal for Gallantry at Sea, with suspender, unissued specimen, by L. C. Wyon (MJP 166; cf. W. & M. 62/63). *Hairlined and cleaned, otherwise extremely fine.* (£75–100) 1
- 19 Royal National Lifeboat Institution, Edward VII, silver medal for Gallantry at Sea, unissued specimen, by de Saulles (MJP p. 166; cf. W. & M. p. 62–63). *Extremely fine.* (£75–100) 1
- 20 Royal National Lifeboat Institution, George V, bronze medal for Gallantry at Sea, with suspender, unissued specimen, by Bertram MacKenna (MJP p. 166; W. & M. p.p. 62–63). *Extremely fine.* (£60–80) 1

- *21 The Shropshire Society in London, Award for Bravery, *obv.* head of Capt. Webb left, *rev.* figures of Britannia and France holding tablet, this inscribed "PRESENTED TO THE DESIGNER OF THE DECORATION". Edge inscribed "CAPTAIN ADRIAN JONES, M.V.O., R.B.S. PRESIDENT", silver, with blue and yellow ribbon and top brooch suspender pin, 51mm (MJP p. 193). *Extremely fine, extremely rare.* (£100–150) 1
- ∴ Captain Adrian Jones (M.V.O. 4th class, 1907), noted sculptor, born Ludlow, 1845, served in the army for 23 years, serving in Abyssinia, taking part in the Nile Expedition and the Boer War. It is not known why this medal was not presented or how many, if any, were awarded. Not recorded in W. Fevyer's unpublished catalogue. Captain Webb was the first man to swim the English Channel, 1875.
- 22 **United States of America**, Humane Society of the Commonwealth of Massachusetts (2), unsigned, specimen strikings in bronze and with matt finish (Storer —). *First almost as struck, second good very fine, unrecorded by Storer, possibly unissued designs.* (£30–40) 2

- ∴ The hospital at The Gables, Surbiton, was an adjunct to H.R.H.S. Hospital Ship, for the sick and wounded from South Africa.

- 26 Royal Institute of Naval Architects, Medals (3), silvered bronze (1), bronze (2), 45mm (MJP p. 163, both types). *Extremely fine or better.* (£20–30) 3

Lot

- *27 **Canada**, Dominion of Canada Rifle Association, *obv.* bust of Harold Lothrop Borden left, panel in centre inscribed "A FATHER'S TRIBUTE TO HAROLD LOTHROP BORDEN LIEUTENANT ROYAL CANADIAN DRAGOONS KILLED AT WIT-POORT SOUTH AFRICA 16 JULY 1900", bronze, matt finish (MJP p. 36). *About as struck.* (£50–75) 1
- ∴ Harold Lothrop Borden, the only son of the Minister of Militia in Canada, was mentioned in despatches by General Lord Kitchener, Sept. 10th, 1901, also in the despatch of September 8th, 1901, for "gallantry in action, and for stubborn fighting".
- 28 **South Africa**, South African National War Memorial, 1914–18, large plaque, by Alfred Turner, bronze, 73mm x 104mm (MJP p. 196). *Extremely fine and very rare.* (£50–75) 1
- ∴ These pieces were presented to those involved in the creation and unveiling of the memorial at Delville. The Battle of Delville Woods, known as Devil's Wood to the troops, occurred during the disastrous British offensive on the Somme; it was the most famous South African action of the First World War and one where they suffered their greatest casualties. The memorial, designed by Sir Herbert Baker, the bronze group surmounting it by Alfred Turner, was unveiled in 1926 by Mrs. Botha, in the presence of Field Marshal Haig, General Herzog and other dignitaries (cf. Rose E. B. Coombs, *Before Endeavours Fade*, London, 1976, pp. 83–84).

Royal Geographical Society Awards

- 29 Royal Geographical Society, Royal Founder's Medal, by W. Wyon, *obv.* head of William IV right, *rev.* Minerva standing left, bronze, 54mm (MJP p. 151; BHM 1467); London Missionary Society, Death of David Livingstone, 1873, medal by Allan Wyon, bronze, 43mm (BHM 2959; Eim. 1626). *First from worn and rusty dies, very fine, second extremely fine.* (£40–50) 2
- 30 Royal Geographical Society, Antarctic Expedition, 1902/4, The Scott Medal, specimen striking, by Gilbert Bayes, *obv.* bust of Scott three-quarters left, *rev.* Scott standing before sledge, bronze, 69mm, matt finish (MJP p. 153; DF 355.1; Eim. 1880; M.H. 1919, 665). *Almost as struck.* (£60–80) 1
- 31 Royal Geographical Society, Antarctic Expedition, 1907/9. The Shackleton Medal, specimen striking, by Bayes, *obv.* bust of Shackleton three-quarters left, *rev.* scene of two explorers, bronze, 70mm (MJP 153; DF 360.2; Eim. 1903; M.H. 1919, 674). *Cleaned and a little mishandled, almost extremely fine.* (£60–90) 1
- ∴ MJP Pinches notes "six bronze replicas".

Indian Chief Medals

- *32 **Canada**, Victoria, Indian Chief Medal, specimen striking, 1874, in bronze, by J. S. & A. B. Wyon, *obv.* crowned bust left, *rev.* Treaty Commissioner shaking hands with Indian chief, stamped INDIAN TREATY N° 2 (Jam. fig. 38; Br. 29). *From slightly rusty dies, extremely fine, but with two deliberate cuts to obverse rim, presumably "cancellation marks"*. (£150–200) 1

∴ This medal commenced regular issue with Treaty No. 3. Treaty No. 2 was concluded with the Chippewas and Crees, the Government acquiring all the Indian rights to Manitoba and lands to the west of that Province. The original small silver medals (Jam. fig. 36) were rejected on account of their size, the replacement medal, a large electrotype based on the confederation medal (Jam. fig. 37) was also not well received.

Illustration reduced.

- 33 — Another, matt finish, reverse stamped INDIAN TREATY N° [---] 18[---], *Good extremely fine*. (£80–120) 1

- 34 **Brunei**, Royal Military Academy, Sandhurst, Brunei Award, bronze, 51mm (MJP p. 19). *About as struck*. (£20–30) 1

Burridge, supplied for Garrard's, *obv.* bust of Maharajah, in the uniform of Air Commodore, to left, *rev.* fortress, silvered bronze, 50mm; and a bronze uniface specimen striking of obverse (MJP p. 86; Puddeste —). *About as struck*. (£50–80) 2

∴ Presented by His Highness to his countrymen who served in World War II.

- 39 **Nigeria**, Nigeria Police, Cross for Gallantry, with corresponding miniature. *About as struck*. (£20–30) 2

Lot

- *40 **Sarawak**, Rajah Vyner Brooke (1917–1946), Medal for Conspicuous Bravery, silver, matt finish, with loop (MJP p. 191). *Extremely fine, but a little discoloured, very rare.* (£80–120) 1
- *41 ——— Good Service Medal, silver, matt finish, with loop, original red, yellow and black ribbon, and top brooch suspender pin (MJP p. 191). *About extremely fine, a little discoloured.* (£50–80) 1
- 42 **U.S.A.**, Commander-in-Chief, United States Naval Forces Europe, specimen medal, uniface, silvered bronze, 57mm (MJP p. —). *About as struck.* (£15–20) 1
- 43 **Yemen**, Distinguished Service Stars (2), with suspension rings and ribbons; Gallantry Medals (2), one with suspension ring and ribbon, silver (MJP p. 232). *Extremely fine.* (£40–50) 4

Coins relating to Great Britain and Overseas Countries

- *44 **Great Britain**, Victoria, Pattern Crown, by Theophilus Pinches, after Joseph Bonomi, for J. Rochelle Thomas, *obv.* incuse coronetted head left, *rev.* Britannia incuse standing left, copper, plain and unnumbered edge (cf. ESC 1–13; L. & S. —; cf. Glendining's 18.11.1987, lot 99 and Paget collection [lot 474G] for a similar piece in white metal). *Extremely fine, a little discoloured and reverse with a fine die crack extending from 12 o'clock across helmet and arm to drapery, excessively rare, the second known specimen.* (£200–300) 1
- ∴ A similar coin was sold in our sale of 18th November, 1987 (lot 99). The catalogue entry appeared with the following footnote:
- “The reverse of the ‘Bonomi’ crown is without the usual border of stars, but instead, struck with the recessed border plain — except for one small section to left of the trident with an attempt at decoration closely following the drawing of Bonomi’s design originally published in the *Proceedings of the Numismatic Society of London*. It cannot be known for certain when this piece was struck, but is evidently from a rejected reverse die. In Thomas’s original advertisement he writes of the “many obstacles . . . incurred [in sinking the dies] which entailed great expense”.”
- *45 ——— George V, Pattern Crown, 1910, by Allan Gairdner Wyon, *obv.* bare head left, A. G. Wyon on truncation, *rev.* St. George on a prancing horse slaying dragon with a lance, silver, matt finish, plain edge, 28gms. (ESC 386–R6; cf. L.S. 1–5; cf. MJP p. 256; Bruce —). *Extremely fine, excessively rare.* (£1,500–2,000) 1
- ∴ The coin has a specific gravity of 10.22, indicating a silver content approaching 850 parts per 100, this has been confirmed by x-ray fluorescence spectrometry which also suggests that the balance consists of cadmium and a little copper. ESC records a silver matt proof, though none are recorded by Linecar and Stone, who record examples in silver plated copper, with a matt finish.

- *46 ——— Trial striking of Allan Gairdner Wyon's "St. George and the Dragon", reduced size, possibly for a Crown or Halfcrown-size coin, silver, 29mm, matt finish. *About as struck, probably unique.* (£80–120) 1
- ∴ This, and the following three pieces, are unrecorded and were perhaps the only examples struck. They may have been prepared either for Wyon's Crown (the smaller size providing room for a legend) or, for a coin of smaller size, perhaps a Halfcrown. The specific gravity of the piece is 10.37, consistent with sterling silver, which has been confirmed by x-ray fluorescence spectrometry.
- 47 ——— Another, bronze, matt finish, 29mm. *Almost as struck, excessively rare.* (£50–75) 1
- 48 ——— Another. *Almost as struck, excessively rare.* (£50–75) 1
- 49 ——— Another, struck on a large [35mm] flan. *Good extremely fine, probably unique.* (£50–75) 1
- 50 ——— Pattern Four-Shillings, 1911, unsigned, possibly by A. G. Wyon, struck by Pinches for Reginald Huth, *obv.* draped bust left, *rev.* crowned cruciform shields (ESC 401; L.S. 18), silver, matt finish, plain edge. *Almost extremely fine, very rare.* (£150–200) 1
- 51 ——— Edward VIII, Crown-size medal, 1936, struck by Pinches for Geoffrey Hearn, *obv.* bust left, *rev.* stylised figure of St. George, on prancing horse, to right, gilt bronze, plain edge (Bruce XM1; KM M1). *About as struck, obverse brilliant, reverse dull, rare.* (£40–50) 1
- 52 ——— Similar Crown-size medals (2), 1936, *obv.* as last, *rev.* St. George to left, silver and bronze, plain edges (Bruce XM2a, —; KM M5a, —). *First about as struck and brilliant, but with graze to rim, second with matt finish, unrecorded in copper and possibly unique.* (£50–75) 2
- 53 ——— Birmingham, Overseers of the Poor, copper Sixpenny Token, restrike struck on a normal flan, plain edge(cf. Davis 29–30). *Extremely fine, traces of original colour, probably unique on a normal flan and with a plain edge.* (£150–200) 1
- ∴ Copies of the Birmingham copper Sixpences are recorded by Davis (29–33) who writes: "Of these copies there were six perfect specimens struck as 29; a similar number, on a thin flan [with fine corded edge]; one example in gold as 31; and one each of 32 and 33 in silver. The dies have been destroyed". Davis does not indicate who published or struck the restrikes, but the presence of this piece in the collection suggests they were struck by John Pinches, possibly for W. J. Davis himself.
- *54 **Australia**, Edward VIII, Crown-size medal, 1936, struck by Pinches for Geoffrey Hearn, *obv.* bust left, *rev.* kangaroo, bronze, plain edge, matt finish (Bruce —; KM —); another, silver, plain edge (Bruce XM1a; KM M1a). *First as struck, unrecorded and possibly unique, second with a dull patina, possibly a trial, rather heavily hairlined, otherwise good extremely fine.* (£50–75) 2

Lot

- *55 **Matt Proof Pattern Dollar**, 1967, by Andor Meszaros, silver, plain edge (Bruce XM2 M71; cf. MJP p. 257). *About as struck and of the highest rarity, one other example thought to exist.* (£400–600) 1
- ∴ An unofficial issue, the winner of a competition organised by the Australian Coin Review. Struck with this finish for photographic purposes. One example only recorded by Bruce, priced at \$3,500.
- 56 — **Similar Dollars**, 1967 (2), silver, proof, plain edge, regular issue, grained edge (Bruce XM2 M71; cf. MJP p. 257). *Brilliant and about as struck.* (£50–80) 2
- 57 **Colombia**, Proof 50-Centavos, 1906, bronze, lettered edge. *Not well struck and date (deliberately?) defaced.* (£75–100) 1
- *58 **El Salvador**, Proof 10-Pesos, 1892, by Allan Wyon, gilt bronze, grained edge. *Almost as struck, extremely rare.* (£200–250) 1
- ∴ A connection between the El Salvador Coinage of 1892/93 and Pinches, though cloudy, appears to exist. Five coins of El Salvador are in the collection, evidence, although circumstantial, of Pinches involvement with the issue. The Central American Mint opened in 1892, but operated for only a few years. Proof sets of the 1892 Coinage exist. We know of two examples, though a few others doubtless exist. Significantly, one with the name John Pinches on the inside lid has been seen. Moreover, Forrer (*BDM* Vol. IV, p. 548), wrote “Among his [John H. Pinches] principal works I have noted; Coin-dies for South American Republics (Brazil, Columbia (*sic*), Costa Rica, Ecuador, Salvador) in commission for the Mint in Birmingham”. There is no record of the Mint, Birmingham, striking the coins and probably Pinches supplied the dies directly to El Salvador, perhaps even providing some other technical assistance. The coins are of excellent work and are probably by Allan Wyon, an engraver used by the company for some of their more prestigious contracts.
- *59 — **Proof**, 50-Centavos, 1892 CAM, bronze, grained edge. *Toned, extremely fine or better, unrecorded and excessively rare.* (£100–150) 1
- *60 — **Proof** 10-Centavos, 1892 CAM, tin, grained edge. *Extremely fine, unrecorded and excessively rare.* (£100–150) 1
- 61 — **Proof** 5-Centavos, 1892 CAM, tin, grained edge. *Extremely fine, unrecorded and excessively rare.* (£75–100) 1
- *62 — **Centavo**, 1893 CAM (KM 108). *Lustrous and almost as struck, by far the rarer of the two dates, particularly in this state.* (£200–300) 1
- *63 **Fujeirah**, Mohammed, Pattern Dinar, 1968, by L. E. Pinches, silver (cf. Glendining’s 18.10.1987, lots 103–108). *Brilliant, practically mint state, very rare.* (£120–150) 1
- 64 — **Pattern** 750-Fils, 1968, by L. E. Pinches, silver. *Brilliant, practically mint state, very rare.* (£40–50) 1

- *65 **Haiti**, Henry I, Pattern Gourde or Dollar, 1811, *obv.* laureate bust right, *rev.* crowned arms, copper, patinated finish (Fonr. 7497; Norweb coll. 612; Bruce —). *Extremely fine.* (£50–75) 1
- ∴ The presence of this coin in the collection (and the two that follow) is puzzling. Without question, the coins are *pièces de fantaisie*, but it is not known when exactly they were originally made, however they are recorded in the Fonrobert catalogue [1878]. The appearance of both this and the following lot suggest restrikes of a much later date, though, apparently, they were not made during the tenure of the vendor.
- 66 ——— Another, alloy uncertain, possibly nickel brass. *Practically mint state, brilliant.* (£50–75) 1
- 67 ——— Pattern Gourde or Dollar, 1820, copper, grained edge (Guttag 2088D; Norweb coll. 621; Bruce —). *Good extremely fine.* (£50–75) 1
- *68 **India**, Kutch, Khengari III (1875–1942), Presentation 5-Kori, VS 1985 (1929), uniface specimen striking of obverse, silver, matt finish (cf. KM 2). *Extremely fine, excessively rare, possibly unique.* (£100–150) 1
- *69 **Israel**, Pattern Agora, 1960, *obv.* three ears of barley, first ear with eight grains, *rev.* mark of value, large date below, aluminium (cf. Haffner pp. 43, 45 [illustr.], 71). *Extremely fine, extremely rare.* (£600–800) 1
- ∴ The 1960 Agoras were struck by ICI. The dies, however, were prepared by John Pinches because of their skill in accurately reproducing scripts such as Hebrew and Arabic. Sylvia Haffner, writing in 1970, knew of only three other examples.
- *70 ——— Pattern Agora, 1960, similar but arrangement of the ears of barley differing slightly; the stems of second and third (from left) higher than first; stem of first pointing just beyond final Hebrew character; and leaf joins stem higher up; stop with horizontal bar, and figure 1 on reverse thicker and closer to inscription, aluminium (Haffner —). *Extremely fine, excessively rare.* (£800–1,200) 1
- *71 ——— Another. *Extremely fine.* (£800–1,200) 1
- *72 ——— Agora, 1960, large date, stems of barley nearly touching “ISRAEL”, leaf attached to stem at bottom (Haffner A-101a/b). *Brilliant, nearly as struck, extremely rare.* (£180–250) 1
- ∴ Sylvia Haffner, writing in 1970, recorded six examples of this variety.
- *73 ——— Another. *Extremely fine.* (£150–200) 1

- 74 — Medal of Liberation, First issue, 1958, specimen striking, designed by Ote Wallisch, from a sketch by Leo Kadman, nickel-brass, plain edge, 27mm (cf. Haffner M-A1; MJP —). *Brilliant and about as struck, extremely rare.* (£20–30) 1
- ∴ Sylvia Haffner states the “Judea Capta – Judea Liberata” medals were struck by Kretachmer & Sons, Jerusalem. Though not recorded in MJP, these pieces were struck by Pinches; presumably Kretachmer were simply agents. A unique silver striking was sold in these rooms recently (18.11.1987, lot 122). The Pinches collection contains two further examples of this medal in nickel-brass; it is unlikely that others exist.
- *75 — Medal of Liberation, 1958, Pattern, *obv.* map of Israel, English legend around, *rev.* “Israel” in Hebrew across field, seven-branched Menora above, bronze, plain edge, 27mm (Haffner —; MJP —). *Brilliant and practically as struck, extremely rare.* (£40–50) 1
- ∴ This unrecorded pattern was prepared by John Pinches but rejected in favour of the “Judea Capta – Judea Liberata” design. The collection contains four specimens, the present medal, that in the following lot, and two others. It is possible a few were sent to Israel.
- 76 — Another. *Better than extremely fine, but beginning to tone and a little dusty.* (£30–40) 1
- 77 **Spain**, Alphonso XIII, Pattern 20-Pesetas, 1896, unsigned, probably by Allan Wyon, struck by Pinches for Reginald Huth, *obv.* child’s head right, *rev.* arms, copper (Bruce X14a). *Rather mishandled, very fine or better, 100 struck.* (£75–100) 1
- *78 — Isabella II, Pattern 50-Pesetas, 1904, unsigned, possibly by A. G. Wyon, struck by Pinches for Reginald Huth, *obv.* crowned bust left, *rev.* Spanish arms, J.P. L. in legend, bronze (Bruce X 10b). *Extremely fine, traces of lustre, but a little dusty and with two small patches of verdigris on reverse, extremely rare.* (£100–150) 1
- ∴ The least known and much the rarest of Huth’s private patterns are those of Isabella II, dated 1904, the year of her death.
- 79 — — Another. *Extremely fine, toned.* (£100–150) 1

 ∴ According to MJP these were struck with a plain reverse, in which case the second piece must represent an unissued trial.

Glendining's Subscription Service 1988

Subscriptions to our catalogues run on an annual basis from January each year. On average we issue some 20 coin catalogues, of which a minimum of four include Ancient coins, and a further four specialising in Orders, Decorations and Medals, for which separate subscription rates are offered. Most catalogues contain some plates of illustrations. In the course of each year several of the catalogues are of more important collections, and usually two or more contain coins of the Ancient World.

We aim to post the catalogues to arrive some three weeks prior to the date of the sale. Lists of "Prices Realised" are issued after each sale and these are enclosed in a following catalogue, at no extra cost.

Subscriptions received after July 1st are for half the annual cost.

For the convenience of customers the subscriptions are priced for differing postal zones, and all overseas catalogues are sent by air mail.

Zone A = U.K. and Ireland; Zone B = Europe; Zone C = Rest of the World

Type of catalogue	Zone A	Zone B	Zone C
Ancient, British and Foreign Coins	£20	£30	£40 (\$65)
Ancient Coins only (minimum 4 sales)	£10	£15	£20 (\$30)
War Medals (minimum 4 sales)	£10	£15	£20 (\$30)

Catalogue subscriptions can be paid by Cash, Cheque, Banker's standing order mandate, or by Credit Card (Mastercard  and Visa  only). Subscription forms will be sent on request – or if payment is by credit card, telephone orders are accepted.

Important Notes for Buyers

COMMISSION BIDS

We will be pleased to execute bids (in the name of Graham) on behalf of intending buyers, and no charge is made for this service. Lots will be purchased as cheaply as permitted by other bids and reserves. Bids must be submitted to Glendining & Co. at least one hour before the sale commences, and should be entered on the forms provided. Bids left by telephone will be accepted only on the condition that they are at the sender's risk, and must in any case be confirmed in writing.

Bids by telephone, telex or fax are accepted (but must be received at least one hour before sales commence), and should be confirmed in writing. Overseas customers are urged to use these facilities, but all communications must be headed GLENDININGS. However we regret that bids left on our Answerphone service cannot be accepted.

PAYMENT BY OVERSEAS CUSTOMERS

Payment should be made in *Sterling* in the form of cash, cheques drawn on a U.K. clearing bank, or by means of a banker's draft or telegraphic or cable transfer directly into our bank account, quoting the original invoice number. Credit Card payment is accepted for catalogues and catalogue subscription only – it cannot be used for settlement of lots purchased.

Unless prior arrangements have been made, and payment is made by any other means, then the customer will be liable for any bank or collection charges concerned, and any losses arising from the conversion of foreign currencies into sterling.

MIDLAND BANK plc, Hanover Square Branch, 19 St. George Street, London W1R 0ES. Telephone: 01-629 9384. Account No. 21101137 Glendining & Co.
